
LONG HAUL 900

HIGH FOAM VEHICLE WASH LIQUID

An economical , concentrated, high foaming liquid detergent designed for both automatic and self-service brush systems. Safely and effectively removes road film, salt, dirt and grease from all vehicle surfaces. Produces large amounts of foam to increase lubricity of brushes, prolonging their life. Rinses well in hard or soft water, and leaves a pleasant fragrance. Contains no phosphates

LONG HAUL 900 HIGH FOAM VEHICLE WASH LIQUID

DESCRIPTION

Formulated for brush-type car and truck wash facilities as well as hand washing. Excellent for both single-cycle and reclaim type operations. Contains a blend of special heavy-duty, synthetic detergents, emulsifiers, foam boosters, synergists and water soluble lubricants.

DIRECTIONS FOR USE

Dilute with water from 60 to 1 – 80 to 1 for manual washing with a brush, sponge or mitt. Adjust dilution to give desired cleaning and foaming. For automatic operations use considerably higher dilution rates depending on equipment. Use through foam brush, rotary brush, or pressure washer to clean vehicles.

FEATURES & BENEFITS

Highly concentrated: Provides excellent cleaning, foam and brush lubrication at dilutions up to 1 to 3000.

Long solution life: Special, heavy-duty detergent system allows maximum effective solution life.

Resistant to souring: Unique surfactant component helps reduce natural tendency for solution to emit unpleasant odours after prolonged service life in reclaim-type operations.

Economical: Users report 20,000 or more cars washed per drum of concentrate in reclaim operations.

High Cleaning Performance: Effectively removes road film, winter salt deposits, and heavy soil.

Rinses Free: All synthetic detergent system allows easy, spot-free rinsing.

Hard Water Tolerant: Performs well in both soft and hard water.

Non-Phosphate: Can be used in all municipalities where phosphate effluent is restricted.

Biodegradable: Completely biodegradable. No sewage disposal problems.

Lubricates Brushes: Produces copious quantities of high lubricity foam to insure maximum brush life.

Safe for Vehicle Finishes: Will not damage or strip commonly used vinyl top dressing.

USER TYPES

car washes, coach, transit and trucking.

IMPORTANT ADVICE

Do not mix with anything except water!

SAFETY INFORMATION

EYE CONTACT: Immediately flush with water for 15 minutes. Contact a physician immediately.

SKIN CONTACT: Immediately flush with water. Contact a physician if irritation develops.

INHALATION: Remove to fresh air. If symptoms persist, contact a physician.

INGESTION: Do not induce vomiting. Rinse mouth with water, then drink several glasses of water.

Contact a physician immediately.

PRODUCT DATA

Physical Form	Viscous, water-based liquid
Specific Gravity	1.0 +/- 0.01
Colour	Clear Blue
Shelf Life	1 year minimum
Odour	Detergent
pH (1% Solution)	9.0-10.0
Storage:	Store in original container in a cold, dry place away from incompatible materials.
